ABOUT ME

👋 Hi there! I'm João Lopes, a technology enthusiast and sports aficionado, doubling as a Full Stack developer! 🏐

With a background in volleyball, I bring collaborative skills to software development. I enjoy exploring new sports and cheering for my favorite teams.

I seek challenges and opportunities to expand my skill set in innovative projects. If you need a dedicated Full Stack developer, I'm here to help.

If you want a good service on your project and to keep it the ball in the air, just ping me.
